Meeting Endorses Legion Resolution

Total Preparedness Need Emphasized By Hansell

A well attended meeting sponsored by the Vulcan Branch of the Canadian Legion, B.E.S.L., Thursday evening, and addressed by E. G. Hansell, M.P., unanimously endorsed the resolutions introduced by the Dominion Command, urging the federal government to institute the following measures:

1) National Registration; 2) Mobilization of Industrial Resources for defence production and 3) Compulsory Training in the Reserve Forces of Canada.

Over 200 were present at the meeting, which was held in the Vulcan Armories.

Introduced by Orville M. Roe, president of the local branch of the Canadian Legion, Mr. Hansell chose as his topic "Is Korea the World's Powder Keg," and in his usual forceful manner urged his audience to realize that if the developments of the future should prove as dire as presently indicated it would not be a matter of who will win, but who will survive. The situation on the World Front is such that no country can fail to realize the need for total preparedness for any eventuality.

While he emphasized that he was voicing his own opinion and was not speaking in the interests of politics, Mr. Hansell said informed people everywhere were aware of the tragic blunders of the past, and the need to avoid similar ones in the future.

He cited the mistakes made at the Yalta conference, at which time the end of the war was settled and important decisions made. It was here that Russia was given the opportunity of striking the last blow. This act, said Mr. Hansell, created a mentality behind the Iron Curtain whereby Russia was to be considered the world's greatest power. This, notwithstanding that Russia had been financed to the extent of \$30 billions of Lend-Lease aid by the North American people, with which to carry on her part of the war. The slicing up of Germany too had been made at Yalta, and as has been amply demonstrated this too proved entirely to the benefit of Russia and the detriment of the democracies.

In this connection Mr. Hansell was making his point that "No human mind is capable of grasping and maintaining all ramifications

tions of world situations. Consequently many decisions are made by leaders on the basis of calculations given them by policy-making minds and advisors". On the occasion of the Ralta conference President Roosevelt's two top-ranking advisors had been A. Harriman and Alger Hiss. Mr. Hiss has of course, since been tried and found guilty of being a Communist sympathizer and guilty of treason.

Alger Hiss' presence at the conference and the extremely confidential nature of his mission only serves, said the speaker, to illustrate the fundamentally important fact that we are not dealing with a shoddy type of enemy, but rather one of almost superhuman genius and genius mobilized by "Satanic powers." The chief difference between Germany and Russia as foes lies in the basic difference of nature. The Germans would gamble with results at times, having well calculated plans, plus a spirit of adventure. The Russians, on the other hand, never venture on anything of which they are not absolutely certain of the outcome. Exactitude and precision of calculation has marked every step of their way along the Cold War front, they having outmaneuvered us time and time again.

Mr. Hansell expressed himself as opposed to any government determining policy and then interfering with administration by experts. The business of the government is to determine policies, but as was illustrated in the case of the Yalta conference again, General Patton and Field Marshall Montgomery were opposed to allowing Russia to strike the last blow and as a result were withdrawn because of their stand on this issue.

Acknowledging that the democratic way of life is not a military one, Mr. Hansell nevertheless deplored our complete or nearly complete demobilization at the end of hostilities whereas Russia had continued to build the most powerful military machine on the face of the globe. Although he supported the principals of the United Nations, and again he remarked that Hiss had been executed.

Attendance at New High

Steady Growth During 1950 Shown By Church of Christ

Reports at the annual meeting of the Vulcan Church of Christ, held Monday, January 22, in the church building, indicated a steady growth in all departments during the year 1950.

The year closed with the church in good financial standing. Income during the year totaled \$4,630.27 plus a 1949 balance of \$562.48. Approximately \$1,000 was sent to mission projects throughout the world, \$1,500 spent on church improvements, and the remainder used in local expenses.

Attendance claimed its fifth consecutive year of growth, climbing to an average of 99.4 for the year. This represents a gain of 21 per cent over 1949 which stood at 82.1. The highest attendance recorded during the year was 180.

The church reported three young people in the Alberta Bible College, Calgary, training for active Christian service. These were Miss Elaine Love and Mr. and Mrs. Allan Smith. The latter are now opening a new church work in the town of Okotoks.

Four youth groups were active during the year with total attendance ranging up to more than 60 per week. The Junior Bible Study includes ages from 8 to 10, the Intermediate from 10 to 14, the High School from 14 to 18, and the Young Adult group consists mostly of young married couples. From these groups more than 30 attended Christian Service Camps in Canada and the United States, and they also supplied cooks, instructors, and deans for three camps.

The Keystone Mission Class and the Candlelight Club, the women's organizations, claimed an active year with 50 ladies in attendance. Activities during the year were to send \$100 to missions, furnish the

church with silverware, curtains, and a new kitchen stove. They made studies of the Scriptures and various mission fields.

In the election of officers both Mrs. David Gonyea and Mr. Douglas Smith were reinstated as church treasurer and Bible School Superintendent respectively. Mr. Smith was elected to the board of elders, Mrs. E. G. Hansell appointed pianist for morning services and Mrs. Jean Gardener for the evening.

Prospects for continued growth and progress during the year 1951 appeared to be better than any previous year according to Mr. J. Chapman, minister of the church.

Teacher-Parent Relations Aided

Home and School meetings enable the parents to become acquainted with the school, its teachers, and their work, thus making possible a more intelligent consideration of complaints and criticisms, if such be brought home by the pupils. They enable the parents to co-operate intelligently with any new methods the school authorities introduce. They give parents the assurance that their help is appreciated.

No group can influence public opinion and public school officials so successfully as an enthusiastic, interested group of parents.

There is no better way to acquaint parents with school conditions or to arouse their interest in improvements, than through a Home and School Association which meets regularly to consider such matters.

—Contributed.

\$184 Still Needed For Seal Campaign

AN OPEN LETTER

To the Citizens, of Vulcan, Champion, Milo, Lomond, Armada, Kirkcaldy, Shouldice, Queenstown, Arrowwood, Ensign and Majorville.

On Monday last we mailed our final reminder for your support for this year's T.B. Seal Fund. We have watched the replies from 1,077 citizens in our area raise our fund to \$2,415.40, which is still \$184.60 short of our objective of \$2,600.00.

At the start of our campaign we sent seals to 1,785 citizens. 1,077 citizens have replied. This leaves the raising of \$184.60 to 708 citizens of our area. I am confident they will not let our district down and let it fall short of its part in a Canada-wide undertaking.

The members of the Vulcan T.B. Association wish to thank you for your support and we hope that when the curtain falls on this year's work, on Feb. 10, we will once again be over the top.

Sincerely,

W. A. SHIELDS, Chairman,
Vulcan T.B. Association.

tive secretary for the San Francisco conference that set in motion the wheels of the U.N. machinery, the speaker was against too much power being given international bodies.

Returning to the subject of Korea and the present conflict there, Mr. Hansell warned that the Soviet would not hesitate to use the same tactics with the peoples of this continent were she to gain dominance as she has in Manchuria and Northern Korea. That Russia can never be trusted no matter how earnestly she promises anything has been shown in Korea, where, with her pact with the United States, she was to keep peace in Northern Korea, while administering the country's affairs. Instead, she threw up the Iron Curtain so that the world would not know what was going on and had proceeded to build enormous armies in an all-out attempt to force the U.S. out of the southern section of the country and force the American hand with regard to granting the Chinese Communists a seat in the United Nations Council, thereby gaining acceptance of the Red Regime in China, which would compel the granting of Formosa and other strategic islands to the Reds.

On the other hand, Mr. Hansell remarked, it is unthinkable that the United States' highly trained Intelligence Service could be so uninformed or lacking in knowledge that they were unaware of the massing of huge armies in Manchuria last November, ready to strike at the United Nations' forces in Korea. Just what lies behind this apparent ignorance will be something for the future to determine. That General McArthur may have allowed the war to take the course it has may all be a part of a well laid plan. Some observers have even ventured the thought that it may have been so that the Reds would be branded the aggressors in which case the use of the atomic bomb would be

First Message Datelined "United Nations, N. Y."

"United Nations, New York" became the official address of the world organization last month after most of U.N.'s international staff had moved from the temporary quarters at Lake Success to the new Headquarters building in Manhattan. Watching Mrs. Christine Rieder punch out the first teletype dispatch under the new dateline are (left to right): Wilder Foote, Director of U.N.'s Press and Publications Bureau; General Assembly President Nasrallah Entezami; Acting Secretary-General David Owen; Assistant Secretary-General Benjamin Cohen; and Thomas J. Hamilton of the New York Times, president of the United Nations Correspondents Association.

Civil Defence Preparations

To Form Auxiliary Fire And Police Departments

Mayor W. D. Allan, accompanied by Fire Chief Jim Shortt and P. J. Schulz and J. Grant of the town's police department, attended the civil defence meeting at High River last Thursday which was addressed by the Hon. C. E. Gerhart.

Each town in the province is expected to make certain civil defence preparations to be prepared for any emergency. Plans for Vulcan include the setting up of an auxiliary fire department and auxiliary police department and the training of a corps of volunteers for first aid work. The first aid training will be given by St. John's Ambulance Corps instructors.

Details of how these auxiliary corps will be formed and trained have yet to be worked out, but further information is expected to be available following this month's council meeting.

Two great ideological powers are at work in the world—today, and a well behaved every thinking man and woman to prepare to defend their freedom, and the best way to do this at this time would be to assist the Legion in the speed-up of preparations such as the resolutions call for.

Canada's 1950 sugar beet crop, worth \$15 million to growers, will exceed one million tons, first million-ton harvest in the industry's 38 year Canadian history.

In September of this year ordinary expenditures of federal government departments were \$20 million higher than for the same month of 1949.

DISTRIBUTION OF THE IMPORTANT VARIETIES OF WHEAT

Thatcher besides being the most popular variety in the prairie provinces has again this last year increased its acreage over all other varieties. Today Thatcher occupies 59.7 per cent of the acreage seeded to wheat in the three prairie provinces compared with 57.2 per cent last year. Rescue has won to

second place now occupying 10.5 per cent of the acreage; Marquis third with 6.2 per cent; durum fourth with 5.5 per cent; Redman fifth with 3.8 per cent; Red Bobs 3.3 per cent; Regent 2.8 per cent; Arnet 2.8 per cent; Saunders 2.2 per cent; Apex 1 per cent and with still lower percentages to Re-

nown, Canus, winter wheat and miscellaneous varieties.

Thatcher now for the first time dominates in all three provinces occupying 46.5 per cent of the wheat acreage in Alberta; in Saskatchewan 69.2 per cent and 34.5 per cent in Manitoba.

Fill Seven County Council Seats By Acclamation

Thursday, Jan. 25, was nomination day for the newly-created County of Vulcan No. 2, with candidates to be named to fill the nine council vacancies and four vacancies for hospital trustees.

Seven of the nine council seats will be filled by acclamation and elections to name councillors for divisions Nos. 3 and 7 will be held on Feb. 22.

The results of nominations for county councillors follow:

Division No. 1, Allan McLean, Champion, by acclamation; division No. 2, John Edwin Carlson, Champion, by acclamation; division No. 3, Richard F. Clements, Champion and A. J. Maisey, Kirkcaldy; division No. 4, Carl William Looze, Vulcan, by acclamation; division No. 5, Donald B. Smith, Vulcan, by acclamation.

Division No. 6, Jack Dietz, Milo, by acclamation; division No. 7, Stewart J. Hayes, Arrowwood, George McMorris, Queenstown, and M. Willard, Milo; division No. 8, James McKay, Brant, by acclamation; division No. 9, Donald A. McNeven, Vulcan, by acclamation.

Most of the nominees have had previous experience as members of the former Municipal Districts of Vulcan or Blackie or on the various hospital boards.

Hospital Trustees

Acclamations were given three hospital trustees: High River municipal district, Benjamin Ball, Blackie; Vulcan municipal hospital district, John Edwin Carlson, Champion; Little Bow hospital district, southern division, Lorne Roemmle, Carmangay.

No nominations were received for the Little Bow hospital district, northern division, so a trustee for this division will be appointed.

Christmas Seals

The Christmas Seal fund for anti tuberculosis work in Alberta has now reached last year's final total, \$155,000, it was announced today by C. Robert Dickey, General Secretary, Alberta Tuberculosis Association. The 1950-51 objective is \$170,000.

\$15,000 more is needed for expansion of the Association's work, particularly for further installation of X-ray equipment in hospitals for routine chest X-ray of patients.

Vulcan and district are still \$184 from the district objective of \$2,600, according to Wm. Shields, chairman of the Vulcan Lions Club Christmas Seal Committee.

Brigadier Commends Vulcan Company

Highlanders Take Part In Inspection at Calgary

23 men of "A" Company, The Calgary Highlanders, under command of Capt. R. C. R. Munro and Capt. P. A. Thomson, journeyed to Calgary last Wednesday evening, Jan. 24, for the first inspection of the Calgary Highlanders by Brigadier J. W. Proctor, O.B.E., of Edmonton, officer commanding the 18th Infantry Brigade.

Following the march past and inspection, the Vulcan Reserve Army men saw the Calgary unit conducting training in 3 inch mortar and 6 pounder anti-tank gun, and were conducted through the motor transport and signalling equipment rooms.

Brig. Proctor recently succeeded Brig. R. C. Coleman of Calgary to command of the brigade, which is composed of the 49th Loyal Edmonton Regiment, the Calgary Highlanders and the South Alberta Regiment. He complimented the troops on their fine turnout, paying special tribute to the company from Vulcan, and commended the officers and men of the fine tradition established by the Calgary Highlanders during the last war.

The Vulcan unit parades at the Armories at 8 o'clock every Tuesday evening.

From 1938 to 1948 the operating expenses of Canadian railways increased from \$296 million to \$805 million.

Firemen's Ball On Monday, Feb. 12

Vulcan's first annual firemen's ball will be held on Monday, Feb. 12, in the I.O.O.F. hall and reports indicate that the local fire-fighters are going all out to make this the outstanding social event of the year.

Music will be provided by the popular Joe Friendenburg's orchestra from Calgary and an excellent floor show will be given before intermission. The Valentine theme will predominate in the decorations and there will be appropriate favors and novelties.

Members of the local volunteer fire department plan to set up an emergency fund for the benefit of the department and proceeds from the dance will be used for this purpose. Tickets are now on sale at Lloyd's Jewelry or from any member of the fire department.

26 Rinks Enter Ladies' Bonspiel This Weekend

Eleven local and 15 outside rinks will participate in the annual ladies' bonspiel of the Vulcan Ladies' Curling Club to be held at the curling rink this Friday and Saturday, Feb. 2 and 3.

This is the largest entry list ever received for this annual event and the six sheets of curling ice in Vulcan's big rink will be kept busy for the two day spiel. The 15 outside rinks are from 12 different points—Lethbridge, Champion, Carmangay, Okotoks, Calgary, Nanton, Claresholm, Macleod, Brant, Mossleigh, Milo and Blackie—and competition is expected to be keen.

There will be two main events and a consolation event.

Defeat Macleod 7-1 In Cadet Hockey

The Vulcan Highlander Cadets hockey team recently journeyed to Macleod for their first game of the season and defeated the Macleod Cadets by a 7-1 score.

The Vulcan Corps proved to have the better team, from the first to the last period. It was a rough, rugged game and pleased the spectators.

In the first period LaRoche scored from Buehler and Don Mitchell, at the 15:10 mark. At 16:30 LaRoche again dented the twine, assisted by Buehler and Kanuit. Penalties in this period went to Don Mitchell, R. Northcott and B. Bell.

The second period saw Larkins score twice, once from Buehler and once from David Mitchell. Hunter, Northcott, David Mitchell and LaRoche served penalties during this period.

The third period opened with a goal by Buehler from Kanuit. Art Linblack got the only Macleod goal and this was quickly followed by a Vulcan goal. Buehler from LaRoche-Buehler then came up with a smart solo goal to end the scoring.

The Cadets expect to visit Lethbridge on Sunday for a game against the Lethbridge Corps.

I.O.O.F. Officers Are Installed

Officers of Samart Lodge No. 91, I.O.O.F., were installed at the 81st meeting of the lodge, Jan. 25, by Bro. Peter Bowls, District Deputy Grand Master of District No. 8, in his usual efficient and capable manner. He was assisted by members of the lodge.

Officers were installed as follows: Norman Soder, Noble Grand; Ernie Bowls, Vice-Noble Grand; V. A. Coleman, Recording Secretary; W. E. Roebuck, Financial Secretary; Roy Fulton, Treasurer.

The same evening, the First Degree was conferred on three members of the lodge.

The Oddfellows are planning a fish and chip supper at their next meeting and a good attendance is expected.

TURNING FROM the city newspaper to the small town press exchanges that come to the editor's desk is like stepping from the slums, full of vice, into an old-fashioned glade, sweet lavender and thyme, and the scene of perennial flowers. The pages of the big dailies are full of murder, thievery, immortality and the selfishness that the better news is obscured by the glaring shatterings of the Decalogue. One puts the papers aside with a feeling of depression and heart ache that the world is so full of terrible and unhappy things.

Then, picking up the papers that record the happenings of the little towns around us, one gains renewed faith in life. Here are set forth only that which uplifts a community—the activities of the businessmen, the church items, the happy social gatherings of the people, the marriages, births and deaths, farmer's items and all the thousand and one daily occurrences that make up the simple annals of the great common people, who are really the foundation of this broad country of ours.

Scandals are rarely published in the country, but if it so happens that decency demands it, the uglier details are omitted or given a kindly touch that is widely different from the unfeeling publicity of the city press. The offenders may be our neighbors or peoples we have rubbed elbows with all our lives. They are real human to their own people while to the great city dailies they are merely grains of a sort that are ground out hourly in their news mills.

Some city people speak lightly of the country newspaper but it is one of the most potent and uplifting factors in our national existence.

The Welcome Chinook

CHINOOKS ARE magic words, as far as people living in Alberta are concerned. Weather experts probably have high-sounding phraseology to describe the atmospheric conditions which cause them, but we laymen are satisfied to call a chinook a sudden flood of warm air which displaces a cold mass and makes our Alberta winter climate altogether livable.

Such a phenomenon occurred last week. The temperature was 31 below on Friday (coldest of the winter), yet in a few short hours balmy air moved in and by Saturday the mercury had risen to 34 above.

Signal for the coming of a Chinook is a mighty arch which forms on the horizon of the sky. It is then that we Albertans stick out our tongues at Jack Frost, and await with sighs of relief the certain arrival of summer breezes. Miraculously, blizzards and cold snow make way for a seeming superior being, and in a matter of hours water is dripping off the roof.

Last year, Chinooks all but disappeared from the scene, and we had three months of cold winter without a let-up. This year, they're back.

Welcome, Chinooks! —Lacombe Globe.

CANADIAN CENSUS BEING TAKEN IN JUNE

The Ninth Decennial Census of Canada will be taken on June 1, 1951. It will be a project of the greatest magnitude, since the population will be more than 20 per cent larger than any previously recorded in Canada. For the first time, the population of Newfoundland will be counted as part of the Canadian population.

The general farm schedule of the census of agriculture will record information about the farm operator; the location, area, tenure and value of the farm; field crops, fruits, greenhouses and nurseries; condition of the land; irrigation; new breaking and forest fires; farm machinery and equipment; employment; livestock and forest products; dairy products, etc. Owing to its more limited agricultural activity, there will be a separate and smaller agricultural schedule for Newfoundland. Fishermen will be classified as

Champion

Mr. and Mrs. Wilbur Matlock and small daughter Kathy were visitors to Monarch last week when they visited Mrs. Maclock's parents, Mr. and Mrs. G. H. Christman.

Mr. and Mrs. H. E. Smith and Mrs. W. A. Keenan were visitors to Lethbridge Monday of this week.

Mrs. Andrew Kurtz of Kirkcaldy was a visitor at the home of her parents, Mr. and Mrs. Jake Klein, Sunday.

His many friends will be sorry to hear that Pat Larkins is again a patient in the Vulcan hospital. Mrs. E. Siler was a visitor to Lethbridge Saturday.

Carl Nelson of Lethbridge spent the weekend visiting at the home of his parents, Mr. and Mrs. Charlie Nelson.

Mr. and Mrs. H. Allan journeyed to High River Thursday to visit Mrs. Allan's mother, Mrs. Merkl of Herron, who is a patient in the High River hospital with pneumonia.

Mr. and Mrs. A. A. Lawson were business visitors to Calgary last Wednesday.

Mr. and Mrs. Ray Ohlheimer and children and R. Howe were visitors to Cardston, Thursday of last week.

Mr. and Mrs. W. H. Collison of Ensign were guests during the weekend at the home of Mrs. Collison's parents, Mr. and Mrs. P. Larkins.

Of interest to their many friends here, where they resided prior to moving to Grassy Lake within the past year, is the news received that W. P. Raisbeck led the poll in the recent election to form the first Council of Grassy Lake, which was only recently incorporated into a village.

Mrs. George Hartung has returned to her home after spending ten days in the Vulcan hospital.

CHAMPION THEATRE

Saturday, Feb. 3rd

JOSEPH COTTEN

"September Affair"

NOTICE

ALL GASOLINE PUMPS in Champion will close at 6:30 p.m. on week-days, excepting Saturdays, and with the further exception that one (1) Garage or Service Station each week (as noted below) will remain open until 8 o'clock each evening, all day on public holidays and Wednesdays, and on Sundays from 10 a.m. to 12 noon and 1 p.m. to 4 p.m.

Feb. 5 - Feb. 11
J. G. STEEVES

Foothills Health District

The Foothills Health Unit Well-Baby Clinics for this month will be held as follows (Weather and road conditions permitting):

HIGH RIVER—Health Unit Office each Saturday 9:30 to Noon and the Second Thursday of every month from 2:00 until 4:30 p.m.

NANTON—Rest Room, 1st Tuesday of month, 10 a.m. to 12 noon and 2 p.m. until 4 p.m.

VULCAN—United Church Hall 2nd Tuesday of month—1:30 to 3:30 p.m.

ARROWWOOD—U.F.A. Hall 3rd Tuesday of month—1:30 to 3:30 p.m.

OKOTOKS—Elks Hall 4th Tuesday of month—2:00 to 4:00 p.m.

BLACKIE—Masonic Hall 4th Thursday of month—2 to 4 p.m.

TURNER VALLEY—United Church Hall 1st Thursday of month—1:30 to 4:00 p.m.

BLACK DIAMOND—United Church 2nd Thursday of month—1:30 to 4:00 p.m.

ROYALTIES—W.I. Hall 3rd Thursday of month 2:00 to 4:00 p.m.

LONGVIEW—Auxiliary Services Hall 4th Thursday of month—2:00 to 4:00 p.m.

These well baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing with parents any problems regarding feeding, training and general care. Inoculations for Diphtheria and Whooping Cough and Smallpox vaccinations are given after six months of age. There is no charge at these clinics, which are a service of the Foothills Health Unit.

W.A.

The Women's Association of the United Church held their monthly meeting at the home of Mrs. M. Jones, Thursday afternoon, Jan. 25, with a good attendance.

Following the installation of the 1951 officers, who were elected in December, by Mrs. P. Dawson, the new president, Mrs. L. Laffey, presided. The Creed was repeated in Unison.

Standing committees appointed are: Devotional, Mrs. Harrison Gloer; Manse, Mrs. E. Siler and Mrs. E. Nowlin; Visiting, Mrs. C. G. Miller and Mrs. R. Maxwell; Sunshine, Mrs. D. Chamberlain; Flowers, Mrs. Maxwell and Mrs. Dawson; Auditors, Mrs. Dewey Greenlee and Mrs. Jones. Mrs. F. Caldwell was appointed pianist and Mrs. Tim Barry agreed to take charge of the birthday bank.

A pancake supper for members will be held at the home of Mrs. Laffey on the evening of Shrove Tuesday (February 6).

It was decided to hold the annual St. Patrick's concert as near to March 17 as possible, the definite date to be announced later.

Mrs. Russell Hegland will be convener of the project.

Mrs. Jones and Mrs. H. R. Gilbert served a delicious lunch at the close of the business meeting.

The next meeting will be at the home of Mrs. R. Maxwell, Thursday, Feb. 22.

Move to Oyen

Mr. and Mrs. A. G. Gullekson and daughters Shirley and Barbara expect to leave this week (weather permitting) for Oyen, Alberta, where they will reside.

Mr. Gullekson has been grain buyer here for the Searle Grain Co. for the past five years and has resigned his position to operate a machinery agency (Oliver and Minneapolis) at Oyen, the district in which he spent his boyhood years.

Succeeding Mr. Gullekson is Jack Meaton formerly of Black Diamond who, with his wife and two small children, will take up residence in the company house formerly occupied by Mr. and Mrs. Gullekson. Their many friends extend best wishes to Gerry and Margaret in their new venture.

Lions Club Party

The Champion Lions club entertained at a social evening for members and their ladies, Monday evening, Jan. 22, in the Community hall. The early part of the evening was spent playing cards, bridge and whist, followed by a tasty lunch catered by Mrs. A. Lawson of the Savoy hotel coffee shop. A humorous program was arranged with Wayne Anderson, Clayton Sletto and A. M. Mahoney taking part, adding much to the evening's entertainment.

Winners of high score for bridge were Mrs. W. Vickers and Wayne Anderson. Consolation went to Mrs. H. R. Gilbert and W. A. McIntyre. Whist winners were Mrs. A. M. Mahoney and Clayton Sletto while the consolation prizes went to Mr. and Mrs. Jesse Matlock.

Honor Mrs. Gullekson

Mrs. J. Mark entertained

A Favorite Recipe—

Contributed by
MRS. W. A. KEENAN

SWEET AND SOURS

1 lb. spareribs (cut up)
3 tbsp. sugar, 5 tbsp. flour
mixed together
Soya sauce

1/2 cup sugar
1/2 cup vinegar
1 1/2 cups water
Mix last three ingredients together

Cut spareribs into pieces and dip in Soya sauce, then in the sugar and flour mixture. Fry in deep fat till brown. Then drain and add to sugar, vinegar and water mixture and cook slowly for one-half hour.

a group of ladies at her home Friday evening, Jan. 26, complimentary to Mrs. A. G. Gullekson who is leaving Champion to reside at Oyen. A social evening was enjoyed.

Mrs. H. Jopling presented the honored guest with a remembrance gift from her assembled friends and also a gift from the Ladies Curling Club, of which Mrs. Gullekson is a member, to which Mrs. Gullekson responded.

The hostess served a dainty lunch at the close of the evening.

CARD OF THANKS

I wish to extend my sincere thanks and appreciation to Dr. Tompkins and the hospital staff for the care given me during my recent stay in the Vulcan hospital. Also, to my friends for their cards and gifts. You were all most kind. Thank you. —Mrs. George Hartung, Champion.

War on Rats

The rat control program in Alberta is well under way with 110 local pest control officers already appointed. Some 30 preserved rat specimens are now on display in the offices of district agriculturalists and municipal secretaries, and everyone is urged to see one of these specimens and find out what the Norway rat looks like.

W. Lobay, Supervisor of Pest Control, Alberta Department of Agriculture, advises that numerous rodents have been brought in for identification. Although many of them proved to be muskrats or pocket gophers, the interest displayed is commendable. As far as is known, all rats seen in the province have been killed, but it is possible that others may be at large. Everyone should remain on the alert for signs of this pest.

A new compound that has proved very effective in poison bait is now ready for use. Previously named Compound 42, this poison is now known as Warfarin. Commercial products containing this poison may be identified by the names Compound 42 or Warfarin on the container. Warfarin is readily accepted by both rats and mice, and no pre-baiting is required. Mr. Lobay points out that pois-

oning, although very effective in many cases, is not the only method of killing rats. Trapping, fumigating, and other means of destruction should be employed where necessary. Any sign of rats, whether the pests are killed or not, should be reported immediately to the pest control officer, district agriculturalists, or to the Field Crops Branch, Alberta Department of Agriculture, Edmonton.

1951 FASHIONS IN WOOL

In the Petit Salon of a large London store, recently, a mannequin parade was held to display some of the new fashions in wool, designed for 1951. Our picture shows a model evening gown of British design, by Paton and Baldwin. It is hand knitted, with over 27 ounces of wool, in a traditional Shetland design. The dress measures 6 yards round the hem.

Lack of thiamine (vitamin B1) in the diet causes the human heart to beat too fast. Thiamine is found in whole grain cereals, whole wheat bread, wheat germ, liver, kidney, pork chops, egg yolk and in lesser degree in vegetables and fruits.

Carmangay

The Girls' basketball team journeyed to Claresholm last weekend enjoyed a game with the Claresholm team but were defeated by a score of 14-13.

The school children were taken home shortly after noon on Friday, as there was danger of trouble on the roads due to the blizzard.

Guests at the home of Mr. and Mrs. Walter Griffin on Sunday for a turkey dinner were Mr. and Mrs. M. Bodnaruk and family of Sterling, Mr. and Mrs. Duane Michaelson of Sterling, Mr. D. McLean, Miss Norma McMurray, Mel Foss and Dean McMurray of Lethbridge, also Mr. and Mrs. A. K. Fowler and Mr. and Mrs. Geo. Davies.

Mrs. G. Davies was a guest of Mrs. L. Snell of Lethbridge for several days last week.

Mrs. Bob Miller of Calgary returned to her home on Monday, after visiting with Mr. and Mrs. K. R. Miller for several days.

Three rinks from Carmangay took part in the Barons bonspiel last week. W. Soderquist's rink, with J. Hurnanen, W. Sparks and M. Flynn won third in the first event; L. Roemmele's rink with K. R. Miller, Bud Moore and G. Callan won fourth in the second event.

Mr. and Mrs. Roy Craig motored to Calgary last week, where Mr. Craig took medical treatment. Rob Clarke left for Bakersfield,

California, last week to attend the funeral of his sister, Mrs. Pedan Adams.

Mr. and Mrs. J. McFarland and family were Sunday guests at the home of Mr. and Mrs. Ted Rooney of Nobleford.

Many from town and district have been confined to their homes during the last two weeks due to an attack of the flu.

Weekend visitors at the Geo. Davies home included Mr. and Mrs. A. K. Fowler, Dean McMurray of Lethbridge and Stewart LePard of Stirling.

Eric Collier left on Thursday for Vancouver B.C., to attend the funeral of his father, who passed away on January 24.

Mr. and Mrs. B. Butterwick of Chin were visitors at the home of Mr. and Mrs. Ben Brown over the weekend.

Mr. and Mrs. Burtla Burke and family have moved into the home formerly occupied by Mr. and Mrs.

Carmangay and Champion enjoyed a hockey game in town last week, with Champion being the winners with a score of 3-2.

Mr. and Mrs. J. Minty Jr. motored to Burdett last week. They were accompanied by the latter's mother, Mrs. Clark, who will remain in Burdett.

Mr. and Mrs. P. Vershuys and son moved to Vulcan last week, where they will reside in the future.

Miss Dorothy Thompson of Calgary spent last weekend with her parents, Mr. and Mrs. S. E. Thompson.

Mr. and Mrs. Roy Church, Mr. and Mrs. W. Nielson and Mr. and Mrs. G. H. Nelson were Lethbridge visitors on Monday.

A rink made up of Mr. J. Hubka, L. Roemmele, B. Brown and Bud Moore are attending the bonspiel in Medicine Hat this week.

Mrs. S. E. Thompson visited at the home of Mr. and Mrs. Art

Warkentine. Roberts of Barons on Friday. Miss Dorothy Thompson was also a guest of her aunt and uncle.

Congratulations to Mr. and Mrs. Frank Burgess on the birth of a daughter on January 25, in a Lethbridge hospital.

Congratulations also to Mr. and Mrs. Roy Dayman of Barons, former residents of Carmangay on the birth of a son on January 20, in a Lethbridge hospital.

Charles Collier

The news of the death of Charles Collier in Vancouver on Wednesday came as a shock to Carmangay and district.

The late Mr. Collier, 67, had a saddlery and hardware business in Carmangay for 25 years. He moved to Vancouver some 15 years ago.

The late Mr. Collier was born in England and immigrated to Canada in 1910 when he settled at Bow Island. In 1912 he moved to Carmangay and saw much of the development in the district. He was a member of the Anglican church.

Surviving are his wife; a son, Ronald, in Vancouver; a son, Eric, of Carmangay; a daughter, Mrs. F. C. White of Carmangay and several brothers; Harry of Lethbridge, Syd of Carmangay, Walter

of Vancouver and Geoffrey of Vulcan.

North Priscilla Club

Twelve members of the North Priscilla Club met with Mrs. H. A. Frank on Wednesday. The main business of the afternoon was the discussion of the program and books for the coming year.

It was decided to have a travelling prize instead of a raffle for the coming year.

Birthday friends were also drawn to be secret until the end of the year. A very interesting program has been planned. A \$10 donation was voted for the March of Dimes. Mrs. H. A. Frank won the raffle.

The next meeting will be at the home of Mrs. Ida Nelson. A dainty lunch was then served by the hosts.

Of particular importance to patients with heart conditions is the reported successful use of aircorin in reducing bacterial invasion of the blood as a result of tooth extraction.

Nutritionists agree that we could add many more years to the average expectancy of life by F. C. White of Carmangay and several brothers; Harry of Lethbridge, Syd of Carmangay, Walter

NEW 1951 Chevrolet

OFFERS ALL THE THINGS YOU WANT INCLUDING POWERGLIDE AUTOMATIC TRANSMISSION

POWERGLIDE
AUTOMATIC TRANSMISSION

FEATURES

OF THE NEWEST OF ALL NEW CARS FOR 1951

NEW! LONGER, LOWER, WIDER BIG-CAR LOOK — Brilliant new styling... featuring entirely new grille, parking lights, fender moldings and rear-end design... imparting that longer, lower, wider big-car look which sets Chevrolet above and apart from all other motor cars in its field.

NEW! EVEN LOVELIER BODIES BY FISHER — With new and even more strikingly beautiful lines, contours and colors... with extra sturdy Fisher Unisteel construction... Curved Windshield and Panoramic Visibility... the smartest, safest, most comfortable edition of Chevrolet's Famous Bodies by Fisher.

NEW! MODERN-MODE INTERIORS — With upholstery and appointments of outstanding quality, in beautiful two-tone color harmonies... with an even more attractive steering wheel embodying a new full-circle horn ring (in De Luxe models)... and with extra generous head, leg and elbow room for driver and all passengers.

NEW! SAFETY-SIGHT, INSTRUMENT PANEL — Safer, more convenient, more efficient... having an overhanging upper crown to eliminate reflections in windshield from instrument lights, and lower edge of panel recessed to provide a safe, convenient location for control knobs... with plain, easy-to-read instruments in two large clusters directly in front of driver.

NEW! MORE POWERFUL JUMBO-DRUM BRAKES (with Duralife rivetless brake linings). Largest brakes in Chevrolet history! Extra-safe, extra-smooth, extra-durable... with both brake shoes on each wheel self-energizing for forward and reverse operation of car... providing maximum stopping-power with up to 25% less driver effort.

NEW! IMPROVED CENTRE-POINT STEERING (and Centre-Point Design). Making steering even easier at low speeds and while parking... just as Chevrolet's famous Unitized Knee-Action Gliding Ride is comfortable beyond comparison in its price range... additional reasons why more people buy Chevrolets than any other car.

It's good to have all the things you want in a motor car, and to have them at lower cost than they can possibly be found anywhere else.

That's exactly what you'll have when you buy a new 1951 Chevrolet — Canada's largest and finest low-price car — now available with a proved, completely automatic transmission, POWERGLIDE!

You'll own the newest new car for '51 — refreshingly new, inside and out... with that longer, lower, wider "luxury look" that stamps it as the most beautiful car in its field.

You'll own the only car that offers you your choice of the finest proved no-shift driving, or standard driving, at lowest cost. And if you choose a POWERGLIDE-equipped Chevrolet with its new 105 h.p. engine, you'll enjoy driving ease you've never dreamed of. There is no clutch pedal! You simply step on the gas to go, step on the brake to stop! And that's all, in normal driving! Amazing smoothness — saves wear on driver and on car!

And you'll enjoy all Chevrolet's many advantages at extremely low cost through every month and mile of ownership. Come in today — see and drive Canada's largest and finest low-price car... and you'll understand why more people buy Chevrolets than any other car.

*Optional on De Luxe models at extra cost.

There is no clutch!

BERRYWATER

Friends of Tom Robinson who homesteaded in the district, will be sorry to learn he is seriously ill in a Calgary hospital.

Mr. and Mrs. Stan Wickstrom motored to Calgary on Sunday. Russel Smith accompanied them and remained in the city where he will take an electric welding course at the Tech.

Tommy Webber and Alan Sims attended the Ray Little Western show in Queenstown Saturday evening.

Mr. and Mrs. H. C. Douglass left Thursday for Minot, N.D., where they will visit with the former's brother and sister-in-law, Mr. and Mrs. G. W. Douglass.

Doug Smith accompanied James Chapman to Nanton on Sunday.

Vic Bertrand of Milo, Alberta Wheat Pool representative, will speak at the Berrywater Community Centre, Wednesday, Feb. 14th. Everybody welcome.

Indications are that winter has finally caught up with us, as Doug Smith was seen opening the roads for the hydro crew, with his snow plow, on Tuesday.

LOMOND

The Oddfellows dance was postponed due to weather conditions. The dance was to have been held January 26.

The local badminton club motored to Barons recently to take part in the tournament being held there.

Master Kenny West underwent a tonsillectomy recently.

Herb West, Joe Linstead of Lomond and John Larson of Vulcan left for a holiday in California.

Mr. and Mrs. Al Clifford have moved to town.

Congratulations go out to Mr. and Mrs. Melvin Arrowsmith (nee Bette Degenstein) on the birth of a baby girl.

Cpl. and Mrs. Gordon Hacken are leaving for a three week holiday.

EASTWAY

Congratulations of the district are extended to Mr. and Mrs. Emerson Brown, on the birth of a daughter, Leslie Margaret, Jan. 24. Mrs. Brown was formerly Miss Rita Baldwin.

Mr. and Mrs. Archie Oldfield and daughter Sandra, left Saturday by train for an extended visit in Ontario. While there they will purchase a new car.

Mr. and Mrs. George Gooch and Miss Yvonne Harold and Mr. Albert Hellevang were Carlsland visitors on Sunday.

Mr. Hurst Goldthorpe of Calgary was a district visitor recently.

The Eastway district held a community meeting in the Union Jack school on Jan. 25 to discuss the installing of the Calgary power. It was decided to install the power as soon as possible.

Mr. and Mrs. Gordon Layercraft were Calgary visitors on Monday.

Dinner guests of Mr. and Mrs. Ivo Love on Sunday were Mr. and Mrs. Howard Tharlie and daughter Helen, Ivan Fisher and Bill Crossfield.

Mrs. Leta Scott of Okotoks and Mr. and Mrs. Mel Burgess of Calgary spent the weekend at the W. Burgess home.

New telephones have been installed in the homes of Mr. and Mrs. Joe Suitor and Mr. and Mrs. Ray Onstad.

The ladies of the district held a quilting bee at the home of Mrs. Ivo Love on Thursday.

KIRKCALDY

Mr. and Mrs. Harvey Bowman and family of Camangay were visitors at the M. Scobie home last Tuesday.

Darrel Maisey spent the week end at his home.

Mrs. J. S. Bessey of Calgary visited at the home of her brother-in-law and sister, Mr. and Mrs. W. Todd last week.

Miss Molly Crashie of Calgary was a recent visitor at the home of Mr. and Mrs. Munro.

Mr. and Mrs. M. Scobie and Brian were Cayley visitors on Sunday.

Mr. and Mrs. Otto Hagg, Mr. and Mrs. J. O'Reilly and Bryon were Sunday dinner guests at Champion.

Miss Marion Munro spent the weekend at the home of her parents.

Don Mallory and D. Brooks went to Calgary on Saturday to hear Lou's Armstrong and his All Star Orchestra.

Kirkcaldy W.I.

Mrs. W. Munro was hostess for the Kirkcaldy W.I. on Thursday, Jan. 25. There were 13 members and 4 visitors present.

The Roll Call was answered by Current Event Highlights of 1950. It was voted to donate \$10 to the A.W.I. fund, \$5 to buy soap for Greece. Each member is to bring diapers to the next meeting for the babies of Greece.

Mrs. M. Scobie was chosen delegate for the district conference in Lethbridge in March.

Auditors appointed for 1951 are Mrs. Urquhart and Mrs. Hollister.

Reports of committees were given.

Program consisted of duet "Whispering Hope" sung by Mrs. Main and Mrs. Haga; solo by Mrs. Gardner; sing song by the members.

A discussion on the Human Declaration of Rights followed.

Tea raffle was won by Mrs. Clements.

A gift of appreciation was presented to Mrs. Main, the past president by Mrs. Clements.

A tasty lunch was served by Mrs. H. Todd and Miss Ware.

The next meeting to be held at the home of Mrs. Hollister on Feb. 22.

ALSTON

Miss Pearl Zang of Calgary and her nephew Fred Reath who is attending school in Olds spent the weekend at the home of Mr. and Mrs. Joseph Reath.

Mr. and Mrs. Brown McDonald were Calgary visitors on Thursday and Friday. Mr. McDonald was elected vice president of the Alberta Sheep Breeders Association, and with his wife attended the annual banquet at the Palliser hotel. Congratulations, Mr. McDonald.

Mr. and Mrs. Edwin Beingsnesser were Lethbridge visitors at the Galt hospital on Jan. 21 where they visited Mrs. Beingsnesser's mother Mrs. Grover who is still a patient there. Mrs. Grover isn't improving.

Mr. and Mrs. Mike Beingsnesser were Calgary visitors on Monday.

An anniversary dinner was held at the home of Mr. and Mrs. Arthur Saunders on Sunday, Jan. 28 in honor of Mrs. Saunders parents, Mr. and Mrs. Karl Hedlin. It was their 30th wedding anniversary. The immediate family was present.

Southern Alberta

Five seismograph parties are now working in the Stettler area, making it the most active area in Southern Alberta. Three geophysical crews are working in the Hanna area of southern Alberta and three parties are also at work in the Red Deer area. Two seismographs are working south and east of Calgary for Socony-Vacuum, one a company-owned unit, and the other a Geophysical Associates of Canada party. Two seismographs are working in the Olds area, including a Geotechnical Foreign Corporation unit for Shell Oil Company and a Nance

Exploration Company crew for Canadian Superior Oil of California Limited.

Other Southern Alberta communities that each have one seismograph operating in their area include: a Canadian Gulf Oil Company-owned crew at Drumheller; a Beaver Geophysical Company party at work for Shell Oil Company near Crossfield; a Frontier Exploration Company crew for Shell at Big Valley; a Shell company-owned crew at Cochrane; a Weiss Geophysical Corporation of Canada crew on experimental work in the Okotoks area; and a National Geophysical Company crew working for Barons Oil Company in the Barons area.

DON'T OBSCURE THE VIEW

Don't become so enthusiastic about planting trees around your farm home that you find yourself living in a miniature forest, suggests P. D. McCalla, Supervisor of Horticulture, Alberta Department of Agriculture.

The modern trend is to leave the general design open towards the road so that those who pass may also enjoy the attractiveness of your efforts. For privacy, smaller enclosed areas may be provided within the general planting scheme.

The advantage of leaving the home grounds open to the road is usually recognized, but the views from the house itself should not be forgotten. From the windows of many Alberta farm homes, at least one attractive landscape is provided. This should be treated as a picture, to be framed rather than obscured by surrounding shrubbery.

Brief Items of Local Interest

A pleasant evening was had at the home of Mr. and Mrs. Calvin Hollister on Jan. 28 when 15 friends gathered to celebrate Cal's birthday. The evening was spent in sing-songs and games which caused much amusement and a buffet turkey lunch was served by Mrs. Hollister at the close of the evening. The occasion also marked the birthday anniversaries of Mrs. Gordon Gardner, Mrs. Douglas Smith, Mrs. J. R. Chapman and Mrs. Cecil Warden.

Mrs. Grace Pickard of Poplar Point, Man., was met at Lethbridge on Sunday by her son-in-law and daughter, Mr. and Mrs. Merle Smith, with whom she will spend the next few weeks.

K. Roy McLean, Optometrist, of Calgary, will be in Vulcan at the King Drug Store on Monday, Feb. 12, from 11 a.m. to 5.30 p.m. Consult Mr. McLean in his Calgary office, 1014 Greyhound Bldg., daily except Monday.

James Chapman was a business visitor to Nanton on Tuesday.

Friends of Mrs. T. Humphrey and Mrs. Peterson Jr., are extending to them sympathy on the death of their father, in Calgary last week.

Mr. and Mrs. Sam Roskin of Lethbridge spent the weekend as guests of Mr. and Mrs. O. A. Craig.

Mr. and Mrs. K. L. Oberg of Forresterburg, Alta., are at present guests at the home of their son-in-law and daughter, Mr. and Mrs. B. Banks.

Mrs. Ross McIntyre has been a Red Deer visitor for several days, where she went to attend a family party honoring her mother on the latter's 75th birthday.

Friends of Mrs. Charles Taylor will be sorry to learn she is confined to the local hospital.

Mrs. Freda McRoberts has returned from a week's holiday at Edmonton.

Mr. and Mrs. Pete Versluys and small son, Peter, of Carmangay have moved into the McAfee suite.

Friends of Mrs. Ross Clark will regret to learn she is again a patient in the Vulcan hospital.

Two Vulcan Ladies' rinks participated in the Staveland bonspiel on Friday and Saturday, when the Robinson rink skipped by Mrs. Mabel Robinson, with Mrs. Mabel Rea, Mrs. Ethel Banks and Mrs. Hannah Matlock, won the 4th place in the 1st event. Mrs. Donna Armstrong's rink, with Mrs. Olga Miller, Mrs. Gee and Mrs. McKeen won the second prize of the 2nd event.

Arthur Fitzpatrick and Miss Dorothy Mainwood of Calgary were recent guests at the W. A. Fitzpatrick home.

Dr. and Mrs. G. M. Carson of Bonness renewed acquaintances here last week.

Miss Dora Brodrick of Calgary spent Sunday at the home of her parents, Mr. and Mrs. C. Brodrick. Congratulations are being extended to Mr. and Mrs. Tom Humphrey on the birth of a son, Gregory Thomas, at the High-River hospital, January 29.

Friends of Dorothy Porter will be sorry to hear she underwent an appendectomy in the local hospital recently.

Rev. T. E. Jesske of Medicine Hat, District Superintendent of the Evangelical United Brethren church, took the Sunday evening service held in the L.O.O.F. hall.

Allan Clark of Calgary visited in Vulcan briefly last week, and renewed many acquaintances.

Miss Phyllis Scotney of Calgary spent the weekend at the home of her parents, Mr. and Mrs. Norman Scotney.

Friends of Mr. and Mrs. Ed Nelson will be sorry to learn that their small daughter, Lola Kay, underwent an appendectomy in the Vulcan hospital Saturday.

Jimmie Shaw of Calgary spent the weekend with his parents, Mr. and Mrs. Tom Shaw.

Best wishes are extended to Miss Elizabeth Fulton, who is a patient in the hospital this week, for a speedy recovery.

Mr. and Mrs. Cecil Matlock were Calgary visitors for a few days last week.

E. G. Hansell left Friday for Ottawa, stopping briefly at Winnipeg on business matters.

Friends of Mrs. Lillian Lancaster will be sorry to learn she is a patient in the Vulcan hospital, having recently undergone an operation.

Duane Neville was a recent Calgary visitor.

Dave Brooks and son, Mervyn, spent Saturday in Calgary and attended the Louis Armstrong show in the evening.

Miss Helen Hunter entertained a few friends at a dinner party at her home Wednesday evening of last week, the occasion marking her 13th birthday.

Burial services for Bob Curtis of Red Deer, formerly of this district, who died recently, were held at the Vulcan cemetery Tuesday afternoon.

Melbourne Dunham underwent an appendectomy in the local

hospital the first of the week and best wishes for a rapid recovery are extended to him by his friends. Congratulations to Mr. and Mrs. M. Arrowsmith on the birth of a daughter, Saturday last.

An overheated oil stove at the Beaver Lumber brought out the fire department about 5.30 p.m. on Saturday. There was no damage.

130 were present at a recent banquet at the Church of Christ. Speakers were E. G. Hansell, M. P., Doug Smith and Mr. Cawley of Hanna and a program of musical selections was also presented.

Rev. T. E. Jesske showed films at the Evangelical U.B. Church service and they were enjoyed by all those present.

Mr. and Mrs. Frank Orr of Burton, B.C., and Mrs. C. Smith of Rolling Hills, Alta., have been guests at the home of Mr. and Mrs. W. E. Roebuck the past week.

A Vulcan ladies' rink participated in the ladies bonspiel at Warner last weekend and was successful in winning first prize in the third event. Members of the rink were Nina Rittland, Effie Vandellen, Freda Jackson and Rose Bachman (skip).

Mr. and Mrs. A. R. Mainland had as their guests last week the former's cousin, N. G. McLeod of Galt, Ont., chairman of the Ontario Hog Producers marketing board, who was a delegate to the annual convention of the Canadian Federation of Agriculture held in the Palliser Hotel, Calgary.

Word has been received here of the death of Mrs. O. Skjong at her home in Austin, Minn., on Jan. 17. Mrs. Skjong was a sister of Mrs. Bob Wilson and visited here last year. Mrs. Wilson, who has been visiting nieces in Iowa for the past few weeks, was enroute to Minnesota when she received word of her sister's death.

With The District Agriculturist

Hugh Michael

Forage Crop and Soil Conservation Recognition of the need for soil conservation in Alberta is increasing, but recognition is of little value unless followed by wise action. Unless immediate and continued steps are taken to save our soils from wind and water damage, thousands of dollars spent in attempts at reclamation will be the penalty.

Proper tillage methods, cultivation on the contour and trans cover will help farmers under semi-arid prairie conditions to meet the situation, and make it possible for them to continue a grain-fallow program for many years. In the moister sections of the province, in spite of these soil-saving precautions, erosion will sooner or later indicate loss of fibre from the soil. Realizing this, the wise farmer will add fibre as routine practice instead of holding off until signs of deterioration appear.

Grasses are the main fibre supplying crops, but grass-legume mixtures are preferable because fertility as well as fibre must be considered. In the balanced farm program, grain and forage crops become parts of a regular sequence. The method of their rotation can be planned to suit a

variety of conditions. The proportion of forage crops and grain crops will depend on soil and climate. As we move from the drier zones with their brown soils, to the relatively moist areas of the black and grey soil zones, the proportion of forage crops needed to maintain fibre and fertility increases.

Soil building should be the objective of every farmer in Alberta.

Don't Buy Weed Seeds

If you have to buy grain for seed, make sure that you are not buying weed seeds. A casual glance at a handful of seed is not enough. The seed analyst counts the number of weed seeds by spreading out a sample on a sheet of white paper. If more farmers followed this method when sampling seed for purchase, there would be fewer weed seeds grown. Some weed seeds are fairly easy to clean out of grain, but others like Tartary buckwheat are more difficult to remove, particularly from seed wheat. If Tartary buckwheat is present in a sample offered to you for sale, refuse it. A few seeds of this weed sown with the grain will multiply rapidly and result in your grain grading 'rejected'. The presence of this weed in your crop may make the difference in price spread between a No. 1 grade and feed grain.

Never neglect a scratch—even the tiniest injury can become infected. Always wash and disinfect the smallest of cuts.

Sidestep that argument. Bitterness of feeling induces not only a mood of unhappiness but even disagreeable physical reactions such as a tightening of the muscles, stomach disorders, or pains in one part of the body or another.

Leading manufacturing industry in both Manitoba and Alberta in 1947 was slaughtering and meat packing.
